II. Annual statements of receipts and disbursements of the City Municipality for the official year 1885—86.

Resolution.—That the statements be circulated among the Municipal Commissioners.

III. Letter, dated 11th June 1886, from Mr. A. S. Raghavachar, Municipal Commissioner, No. 1 Division, submitting a proposal for providing a small band stand in the Municipal Park.

Resolution.—The Vice-President be requested to cause a plan and estimate of the proposed band stand to be prepared and the same laid before the Board for consideration at the next meeting.

IV. Letter No. 232 from the Municipal President, Civil and Military Station, communicating the resolution recently passed by the Station Municipality, regarding the abolition of the octroi within their limits.

Resolution.—That the Municipal Commissioners of the City are not at present prepared to relinquish the octroi revenue, as they will find it difficult to substitute other taxes for it. It is therefore resolved that the octroi duty be continued to be levied within the City Municipal limits, on its abolition in the Civil and Military Station, and details in connection therewith be considered hereafter when occasion arises.

V. Proposal to open a new road way leading from a point near the compound of late Krishnama Naidu, passing to the northward through the garden lands and dry fields, in parallel to the Subedar Chuttrum road, to meet the new road now being formed by the side of the old butts, and to acquire the required extent of land for the above purpose under the provisions of the Land Acquisition Act, if the same cannot be secured by private purchase under the provisions of Section 97 of the Municipal Regulations. Also to acquire under the said Act or under the above Regulations, the dry land lying on either side of the proposed roadway, on sanitary grounds; a part of the said land being now occupied by Korachars' huts, which are very unsightly.

Resolution.—That in case of the Municipality failing to secure the lands, in question, by private purchase, the necessary application be made to the Deputy Commissioner to acquire the same under the provisions of the Land Acquisition Act.

A. SRINIVASACHARLU,
Vice-President.
